- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

**Subject:** Please stop Duke Energy's hidden mandatory fee hike

Dear SC Public Service Commission,

The fee hike would leave me paying at least \$336 per year before I even turn on a single light.

The hardest hit customers by this huge fee hike will be low-income families and seniors, who can least afford it..

Duke's proposed fees are unjustified, inequitable, and bad for consumers and the environment.

Utility proposals for huge monthly fees like Duke's have been rejected by regulators and public officials around the country,

Copies to: SC Public Service Commission and my state legislators

Sincerely,

Mr. Stan Howell
